

WELCOME TO THE 2006 HACKNEY MARSHES VINTAGE BUS EVENT

EASTER SUNDAY, 16 APRIL 2006

This event marks the 35th anniversary of both the last RLH in London Transport service (on route 178) and the last crew-operated single-decker in London (on the 236). Both events occurred exactly 35 years ago on 16 April 1971.

A free service will operate over the following old London Transport routes:

- 178 Clapton Pond to Stratford *Maryland Station*
- 208 Clapton Pond to Bromley-by-Bow
- 208^A Clapton Pond to Stratford *Maryland Station*
- 236 Leyton to Dalston via Hackney Wick
- 38^A Leyton to Dalston via Clapton Pond
- S2 Clapton Pond to Bromley-by-Bow

In addition, the following special Green Line services will operate:

- 715^B Clapton Pond to Hackney Wick via Hackney Downs
- 720 Leyton to Bromley-by-Bow via Stratford

These services are provided free of charge, at the discretion of the vehicles' crews. Vehicles are privately owned and the costs of their operation and upkeep are met by the owners. The services are not part of the London Buses network and Transport for London has no responsibility for them. Use of bus stops and bus stands is by agreement with TfL on this basis. Drivers are required to comply with all instructions given by authorised officials of TfL and London Buses on the use of bus stops and bus stands. In the event of any difficulties affecting London bus services, be aware that drivers may be required immediately to vacate bus stops and stands. Please take care when entering and leaving vehicles.
